TUSCUMBIA.

Capture of Henderson Inman and Killing ately accorded to the wife of an alien of James Inman, and His Body Recog-nized as the Body of the Attempted Assassin of Dr. Dickens.

Special Disputch to the Appeal. Teseembea, Ala., July 25.-Dr. evening, with the dead body of James into the interior again to meet Cori-Inman. They found him and his belle who was at the head of the inbrother in a cave fifty miles south of Henderson Inman was badly wounded in the head, but not necessarily and necessarily or in the head, but not necessarily are in the necessarily or in the ne ed in the head, but not necessarily up in the words, "Spain, Justice, Mo fatal. He confesses to belong to a rality."

Gen. Litona has left Peurto Prin band of horse thieves. James Inman was killed outright, and was identified as the same Inman that was hired to commit the Dickens murder. Dr. bridge on the Neuvitas Railroad, near Dickens will reach Memphis on the Peurto Principe. poon train to-morrow, with Imman's

WASHINGTON.

All About the Cooley Trade.

Washington, July 25.—The Secretary is in receipt of a letter from the Collector of Customs, at New Orleans covering the communication of Wil tion of Coolies into this country, and Decision in the Cohen Tobacco Case---Railinent. He replies that McCreery mistakes him, in stating that the act of February, 1862, prohibiting American itimes are charged with violation of the rade, has been abrogated. On the Commissioner ordered their disleth of January, 1867, a resolution was passed unanimously by both Houses, fered tobacco for sale, which they had Congress expressing the abhorrence of the Pointed States for the people of the United States for the shal's sale, with the provise that no coolie trade; and in conformity with further stamp would be required, the this resolution, Secretary McCulloch United States could not enforce a tax Orleans a letter on the 18th of Au- waived, on the charge of having ungust, 1867, of which a copy is inclosed. stamped packages of tobacco. The In addition, article five of the treaty Commissioner hold that the fact of between the United States and China, having such was not criminal, but concluded at Washington on the 28th | that it was incumbent upon informers the action of the Emperor, reprobates offered for sale, and they were disany other than voluntary emigration. any other than voluntary emigration, and agrees to make it a penal offense to take Chinese subjects from China without their free and voluntary consent.

It is stated that a freight train ran into a passenger train near the depot in Jersey City, last Wednesday, the

will be in instant operation. Safety to passengers and freight is a great end, worthy eithe struggle of the people of the Mexicope Valley.

Nearly three handred thousand dollars in money and work has already been subscribed at the casetast stock of the Company. The boundars Legislature has passed a bill subscribing one handred thousand dollars of stock in the company. An additional sum of that amount will, without a doubt, he subscribing one handred thousand dollars of stock in the company. An additional sum of that amount will, without a doubt, he subscribed by the same body. The Company have resolved to take linds for stock, and this is the feature to which they desire to call the attention of owners of real estate. In the Southern States, on necount of the disorgatized condition of labor, hands are an incombined condition of labor, hands are an incombined condition of labor, hands to recourses. This Company propose to take those lands at this cripple their only productive resources. This Company propose to take those lands at fair valuation and issue to the owners their stock in linu. If lands shall enhance in value, and thus the land proprietor carry in his pocket the equivalent of his lands, to be converted into money or property without delay. The success of this great enterprise is beyond question. The stockholder, in addition to the benefit of the cambanced value of his lands, will be part owner of a line of boats, and be entitled to dividends in their carraines.

Persons wishing to exchange lands for the stock of the Company will send to the Agent at Memphia a description of them, their productive qualities, the lumber, bottom or upland; whicher overflowed or not; if overflowed, what proportion; how near to county-town, to railroad, depot, river; and all facts necessary to a front the Company as subspaced by independent, mortgagas, useds of the land. This may be done by certificates of reliable, disinterested persons residing in the neighborhood. The proved in the same manner. The party offering lands MEMPHIS, : : TENNESSEE. per New Presses!
